Ricardo among ‘America’s Best Management Consulting Firms 2020’ for fifth year in a row

For the fifth year in succession Ricardo Strategic Consulting has been cited by Forbes among America’s leading management consultants – from a field of more than 50,000 firms active within the US market

Ricardo can reveal today that for the fifth year in a row, it is included in Forbes’ America’s Best Management Consulting Firms, a list identifying which management consultancies are providing business sectors with the best guidance on their practice. To compile this list of America’s Best Management Consulting Firms, Forbes collaborated with online statistics provider Statista. Some 7,500 partners and executives of management consultancies were surveyed, as well as 1,000 senior executives who worked with such firms over the last four years.
