

HAZMAT 2025

21 & 22 May 2025, Crowne Plaza, Stratford-upon-Avon

About the Event

NCEC's Hazmat conference is *the* ultimate forum for Hazmat Professionals to share experiences and gain knowledge with like-minded professionals working in the chemical incident industries.

Now in its 16th year, the event draws upon the knowledge and experience of a broad range of hazmat professionals and industry leaders, as well as NCEC's own emergency responders and experts. Bringing together international speakers from across sectors, delegates will benefit from world-standard presentations, case studies and practical, hands-on workshops in a friendly and welcoming environment.

Using delegate feedback gathered at previous events, the format for Hazmat 2025 will again incorporate interactive syndicate exercises and workshops on a cross-section of subjects as part of this two-day conference. We will be encouraging speakers to include practical elements and group interaction where relevant. Sessions will also cover a cross-section of subjects as we look to increase multi-agency representation. Delegates will have the opportunity to tailor their experience by registering for specific workshops once the workshop programme has been finalised. Presentation and workshop topics and speakers are expected to include:

- Case studies
- Field expedient decontamination
- High risk low frequency events
- Alternatively powered vehicles

We are currently reviewing the programme for 2025, so if you have a case study you would like to share or a suitable topic to present on, please contact us as soon as possible with an outline.

Hazmat 2025 is organised by NCEC and supported by JOIFF and media partner MDM Publishing. Under the terms of the Data Protection Act 2018, respondents should be aware that your information will be stored on our secure systems and may be shared with other attendees and exhibitors after the event and they may contact you to offer products and/or services. NCEC may contact you after the event to request feedback about the event, but your details will not be used by NCEC for marketing unless you are already opted-in or request to opt-in to receive communications about our products and services. You have the right to withdraw your consent to the use of your data at any time by email to ncec@ricardo.com. The National Chemical Emergency Centre (NCEC) is a trading name of Ricardo; registered address: Shoreham Technical Centre, Old Shoreham Rd, Shoreham by Sea, West Sussex, BN43 5FG (registered in England and Wales, number 8229264).

Why should I attend?

Hazmat professionals need to keep up to date with hazardous materials response, chemical exposure monitoring, emergency planning, developments in legislation, future technologies, and learn lessons from past experiences. The Hazmat event is the best opportunity to gain a wider understanding of these issues, and more importantly, practical ways to address them.

All the subjects covered are relevant to people involved in chemical incident response and the setting provides a great opportunity to question and discuss content both in the forum and informally one-to-one. Delegates are drawn from fire services, police forces, ambulance services, the MOD, chemical industry, and bodies such as the Environment Agency, Public Health England and the Met Office.

Don't just take our word for it, these are comments from previous delegates.

"Excellent choice of workshops, good info to guide procurement, policy & training in the future."

"An exceptional event for like-minded people sharing experiences and emerging issues."

"Best single point source of information for Hazmat professionals"

"Most relevant event in the sector"

"Excellent two days...again. Well done"

Delegate fee

The delegate fee will entitle you to:

- attendance on both days of the conference on 21 & 22 May 2025
- lunch and refreshments on both days of the conference
- single room bed & breakfast accommodation at the venue hotel for the night of 21 May 2025
- attendance at the conference dinner on 21 May 2025
- delegate pack including speaker presentations

The delegate rate will vary depending on when you register – the rates are as follows:

Early bird rate (available from 12 August 2024 until 31 December 2024) = £885+VAT

Standard rate (1 January 2025 onwards) = £980 +VAT

If you wish to attend, please complete the delegate registration form overleaf or visit our website at www.hazmatevent.co.uk. Exhibition and sponsorship packages can also be found on the website.
